Important Reminder: Always Back Up Data and Organise Files to Prevent Data Loss Due to Device Failure or Factory Reset

1. Please access and complete the **A1.2g File Management and Data Back-up**, an SLS self-paced module at <https://go.gov.sg/sls-dlts-8>, or from the SLS MOE Library:

<https://go.gov.sg/sls-dlts-8>

A1.2g File Management and Data Back-up

An illustration showing a person sitting at a desk with a laptop and a tablet. Above them are several yellow folders and a blue cloud with a white arrow pointing upwards, symbolizing file management and cloud backup.

Learning Outcomes

Target Audience:
Lower and Upper Secondary

Lesson Objectives:
By the end of this lesson, students should:
1. explain why managing, organising and backing up data is essential;
2. know at least one method to manage and back up data on their Personal Learning Device (PLD) effectively using Cloud Storage solutions; and
3. demonstrate the ability to manage and back up data on their own PLDs.

2. This SLS module introduces you to the basics of digital file management on PLDs. Through this module, you will:
 - a. understand that managing and backing up data is essential;
 - b. learn tips to organise files using folders and appropriate file names;
 - c. demonstrate the ability to **manage and back up data on your own PLD**.
